ICOM South East Europe (ICOM SEE) is pleased to announce its annual conference, which will be held in Kikinda, Serbia on 7 and 8 May 2024. The conference theme is aligned with the International Museum Day 2024 theme "Museums, Education and Research." This year's focus underscores the vital role of museums as dynamic educational institutions fostering learning, discovery, and cultural understanding.

In line with the United Nations' Sustainable Development Goals, and with IMD 2024, the conference focuses on Goal 4: Quality Education and Goal 9: Industry, Innovation, and Infrastructure. We invite you to reimagine education, envisioning a future where knowledge sharing transcends barriers and innovation unites with tradition.

Participate in the conference and share, how you use the wealth of knowledge museums offer in every day work.
